

Redwine Multi-use Path Project

June 16, 2006 Update

Fayetteville is working with Fayette County on a project to construct a 10-foot wide multi-use path between Grady Ave and Horseshoe Circle. This will provide bike/ped access to downtown Fayetteville, Fayette County Kiwanis Park and to south side businesses from several residential areas. The path will be on the west side of Redwine Road and Beauregard Blvd.

The project is financed 80% through federal CMAQ funding, with the remaining 20% financed through local matches by the City and County.

Don Easterbrook is the City contact at 770-719-4156. Lee Hearn, Fayette County Public Works Director, is the project administrator and may be contacted at 770-461-3142 ext. 6170.

As of June 16, 2006 the right of way and easements have been acquired and approved by GDOT. Fayette County approved contracts with GDOT and the City of Fayetteville for cost sharing and is ready to start construction when GDOT provides a Notice to Proceed.
